
W103 User Identification

Contributed by Vince McDermott (#1787)

Below is shown a cover documenting the (unknown till now) user of US pattern W103 – WHO. Clearly seen is the printed return address of the White Haines Optical Company of Columbus, Ohio, wholesale opticians. In an e-mail prior to mailing the photocopies of his new cover, Vince observed that this cover turned up in a local club auction. Thanks to Vince for his sharp eyes!
